Dear student,

ciao e benvenuto al Politecnico di Milano!

**Politecnico di Milano will be closed from 24<sup>th</sup> December 2022 to 8<sup>th</sup> January 2023 included.**

If you have any doubt, please consult <https://www.polimi.it/en/exchange-students-incoming/> or contact us after 8<sup>th</sup> January 2023.

Meanwhile we would like to share some information regarding your upcoming stay at Politecnico di Milano.

The next step after your acceptance will be your **online study plan submission** from 16<sup>th</sup> to 24<sup>th</sup> February 2023.

You will be able to submit your study plan during the submission period opening **only after your matriculation**. This is a procedure that will be automatically processed by our office within the middle of February.

Once you will have your matriculation number you will be able to change your ID on the Online Services.

### 1. Course selection rules

Choose:

- at least one course of your study programme
- maximum 40 ECTS per semester (no minimum requested)
- only **current** semester courses (Annual Courses are reserved for students who stay at Polimi for the whole academic year)
- students can choose up to 12 ECTS in other Polimi Schools (please note that courses and studios from the School of Design are not available)

Even though you are allowed to choose courses from both BSc and MSc programmes, it is strongly recommended to follow courses of your current study level.

Remember that the Italian educational system is 3 years BSc + 2 years MSc.
