To whom it may concern

We are pleased to confirm that the student **GIANNAKIS MYRON** from **G PATRA01 - PANEPISTIMIO PATRON (UNIVERSITY OF PATRAS)** has been accepted for a period of study in the a.y. 2022/2023 at **Politecnico di Milano - Campus MILANO LEONARDO** to attend the **Master of Science** course in

COMPUTER SCIENCE AND ENGINEERING - INGEGNERIA INFORMATICA

The student will be hosted at our Institution for **THE SPRING SEMESTER - FEBRUARY/JULY** starting from **20th February 2023**.

Please note that an electronic copy of the acceptance letter (Acceptance Letter.pdf file) may be downloaded through the *Nomination Tool* by the authorized administrative personnel (*nominator*) at the Home Institution international office. No hard copy of the acceptance letter will be sent: the electronic copy is an official document and it is valid for any purpose permitted by law.

Other useful information

Please check carefully **our webpages** before your arrival: <https://www.polimi.it/en/exchange-students-incoming> The **Educational Offer** of BSc and MSc programmes is available at [this link](#) (Manifesto degli Studi). Clicking on a specific course, you will see the course details. Class schedule is normally available from the end of January. The Academic Calendar is available at [this link](#)

Before arriving exchange and double degrees students will have to submit the online "Incoming Student Study Plan", which is the list of courses that they will attend at PoliMi. More details and the deadlines will be send in due time. **Meanwhile, please consult the [Course selection rules](#) according to the School at PoliMi you applied for: Architecture, Engineering or Design.**

Between 13th to 17th February PoliMi will organize a Welcome Week on campus to help incoming students to become familiar with the universities facilities, professors and staff. The complete programme will be available at the end of January.

Non-EU students should start the procedure to obtain the visa by accessing the [University](#) portal and filling in the "pre-enrollment application" which must be validated by the PoliMi. Once the application has been completed, the student must apply to the Italian Consular Mission of his/her country of residence for a study visa.
