## Travel Documents

Before you begin your trip, make sure you have the necessary travel documents with you. All adult passengers, as well as minors who are required to issue identification papers, must have a valid Passport or ID during their travel.

## Check In and Boarding Times

Web check-in becomes available 48 hours before the scheduled departure time and remains open for online check-in up to 3 hours before departure. If you have baggage, you will have to deliver them over to the SKY express airport counters (Baggage Drop-off) prior to heading for the Gate. Airport check-in at the respective SKY express counters opens 2 hours before the scheduled departure time of the flight and closes 30 minutes before the departure time for domestic flights and 45 minutes for international flights. Passengers must be present at the Gate at least 20 minutes prior to the scheduled departure time. Please be consistent with all the time frames as stated above. The airline reserves the right to deny boarding in case of late arrival.

## Luggage

Your maximum baggage allowance is determined by the fare category you have booked and you may find out more here: [Fare types & baggage allowance | SKY express](#). Make sure your baggage does not exceed the maximum weight and dimensions. If you need to carry more, you may purchase extra pieces or excess baggage at preferential prices online at "Manage My Booking" or at the airport (at higher rates).

## Special Requests

We offer support services to passengers who need special assistance as well as to unaccompanied children. Passengers with reduced mobility, sight or hearing impairment, as well as unaccompanied children who need assistance on their way to the aircraft, should present themselves at check-in counters at least 90 minutes prior to the scheduled departure time.
